

**HISTORY OF OMEGA CHAPTER'S
GRANT(S)-in-AID PROGRAM
1985 - 2022**

In 1985, *Omega* Chapter voted to award monetary grant(s) to qualified female Finger Lakes Community College student(s) who were pursuing a degree in education. Applicants who have graduated from High Schools represented by *Omega* members were given careful consideration. Early grants were in the amount of \$300. These grants were awarded yearly from 1986 to 1997 when the amount of the grant was increased to \$600. The following year 1998, the amount of the grant was increased to \$1000. From 1998 to 2015, thirty-one Grant(s)-in-Aid were awarded. In 2016, the Grant(s)-in-Aid was changed to honor high school young women matriculating in the field of education. Currently, the amount of the grant is \$750.

Recipients receive the grant after successfully completing one college semester, studying in the field of education. **To date in 2022, seventy-five Grant(s)-in-Aid and a total of \$56,650 have been awarded from this program.**
