

April-May 2023 Omega President's Newsletter

Happy Belated May Birthdays to the following:

Renee Durso - 6th

Della Ludwig - 13th

Janice Wright - 7th

June Birthdays:

Judy Western Farris - 3rd

Mary King - 28th

NYSO Convention/Executive Board Meeting/Seminar:

Denny Clark, Cindy Lynch and I attended the convention in Albany on April 28th-30th. We returned exhausted but rejuvenated! Between the keynote speaker, guest speaker, workshops, and interactions with DKG members from across NYS, we couldn't have asked for a more worthwhile and engaging experience! At the June meeting we will each share a little about the convention.!

Emergency Contact Information:

We now have two little booklets containing emergency information about our members. One will always be in the possession of the president and the other with one of the vice presidents at every meeting and social event when our membership will be gathering. In case of an emergency, we will have your emergency contacts and any other important information that you wish to share with us readily available. Hopefully we won't ever need to use it but if so, this will save valuable time in getting any of us the care that they need. If you have not provided the emergency info yet, an email with that info sent to me would be fine and I will fill out a card for you. Thanks

DKG Dues: They are due to Phyllis by June 15th. Thank you

Omega Meeting Dates for the 2003-2024 Year:

2023 Summer Picnic-Wed, July 26th 12:00 at Dawn Scales' home (will have lunch at 12:45) More information will be coming.

Committees will be contacted about Goal Forms & Activities from the 2022-2023 year.

Please send me any address, email, phone numbers, etc. changes so the Directory can be updated over the summer. Thank You

Last minute information about the June 6th dinner meeting:

There will be a cash bar available which they didn't have before.

Recently the Food Cupboard in Clifton Springs was robbed which left a real shortage of food items for those in need. Renee gave me a list of items that they need most. If you have any of these items in your cupboards and would be willing to donate, Renee will collect and deliver anything brought to the meeting. Thank you

Pasta (all kinds welcome), sauce, mac and cheese, peanut butter, jelly, canned vegetables (do not need corn or string beans) ketchup, mustard, mayo, soups, rice, cereal & canned tuna/chicken
