Omega Gets Social:

So far, we have been able to plan 3 events:

The movie 80 For Brady

The Musical Amelie at the Penn Yan High school

Pastor Karen Busby leading the sermon about Being All in with Your

Testimony

It was great getting together for socializing as well making the winter a bit shorter!

We would like to continue attending events and things like game night, learning a craft and so many other items of interest! We are open to any ideas that you might like to try!

Dues: Phyllis is ready to start accepting dues for next year.

It is \$78.50 and the check is written out to Omega Chapter. (Reserve \$33.50) They can be mailed to Phyllis as well.

Emergency Contact Information: At the April meeting you will find some index cards. We are requesting that you provide us with the following information:

Your name, contact person (s) in case of an emergency and phone numbers for each, any information that you would wish the Pres., past Pres. and 1st Vice Pres.(s) to know that would allow our acting quickly to get medical attention. (will be explained at the meeting)

NYSO Convention April 28-30th

There is still time to sign up!
