

June 2023 Omega Newsletter

Happy June Birthdays to the following:

Heather Wells - 1st

Wendy Ryder - 10th

Janalee Weaver - 17th

Kristen Carr - 21st

Erica Hasselstrom - 27th

Cindy Avery - 30th

Omega Gets Social Summer Picnic!

This is a reminder that the picnic is on Wed., July 26th at my house (40 Tamarack Drive, Cdga.). It will begin at 12:15 but we won't start eating until 12:45 with the hope that those teaching in the morning will be able to join us! Parking on the lawn sideways is just fine and will free up the driveway. If by chance it has been raining and the ground is soft, please check your email before arriving as we may need to shuttle you up from the cul-de-sac! Hopefully that won't happen.

What to bring: a dish to pass (or something on the order of that) & serving pieces to go with it

What is provided: paper products (small & reg. size plates, bowls, napkins) cups, silverware, ice, bottled water, lemonade, iced tea and fruit punch.

Sponsors: Please invite possible candidates and check with those you have sponsored in the past to encourage them to attend. Rides can be worked out so please let us know if you would like one. Thank You

Famous "Omega Gets Social" WHITE ELEPHANT Event!

This may consist of a variety of items:

Things that do not fit into the décor of your home anymore but would possibly accent someone else's, wreaths, outdoor porch/lawn decorations, fun things for a parent/grandparent to do with their child/children/grandchildren, note cards, fun pens/markers to write with, pictures & wall hangings, scarves, jewelry, purses, crafts, puzzles, great reads, kitchenware, vases, etc.

The best part about this is that the things you bring will not need to go back home with you! (The more you bring, the more fun for everyone!)

This shouldn't be of any cost to you but a way to look around your house and see what could go to new homes!

Sharry Cirulli is going to be the RSVP person: (cell) 315- 573-0328

sharrycirulli44@gmail.com

Please let her know by Sun., July 23rd if you will (hopefully) be able to attend. A head count is important as I need to make sure I have seating (rain or shine) for everyone! If you know what food item you will be bringing, please share that info with Sharry as well. Thanks

Birthday Bag Project for the Food Cupboard

There was some discussion about working on this project at the picnic but there wasn't time to get a committee on board first. There are a few details that need to be worked out to meet our purpose in this community project with the Clifton Springs Food Cupboard. More discussion will take place at the picnic and a committee will be formed quickly. It is a great idea and will become a reality very soon!

Budding Reader Community Project

It is my pleasure to announce that this summer community project has already hit the ground running! When the teachers of 7 surrounding school districts at the UPK, K and 1st gr. levels return to their classrooms in the fall, the Budding Reader Organization will present them with a packet of 8 new books for their classroom libraries!

After some "hinting" that our Omega chapter would love to help in the way of a community project, Tam Spitzer, Director, approached us with the "Go Ahead"! Our first work session was on June 26th with 7 Omega members in attendance. The UPK bundles were completed that morning!

This Wed, July 19th there will be another work session to complete the K packets.

For those who would still like to get involved in this fun project, there will be another work session on Thurs. morning, August 10th. Please let Alice Looney know of your interest as soon as possible as there is only room for 7 members each time.

Data Sheets:

Denny has sent each of you a copy of your old bio data sheet if you have filled out one in the past. She also sent out an updated one which only needs to be filled out if you didn't originally fill one out.

For everyone else, look over both sheets and only add additional information to the new one. You do not need to fill out anything that is already on the original again but just updated info. Please bring the

new form to the picnic if you are attending. Otherwise, please send the updated info to her within the next two weeks. Thank you

Congratulations to one of our own!

As of July 10TH, Christine Bennett is now the new Executive Director of Human Resources for the Newark Central School District! With a little luck, I have attached the article giving you all the wonderful details!

Updating information for our directory:

If your phone numbers, emails, addresses, etc. have changed since last Sept., please send the new/updated information to Evie Bottorf by July 31st. You will also have a chance to update everything at the picnic if it is needed. Thank you eviebottorf@gmail.com

Hopefully everyone has been enjoying the beautiful summer and has stayed healthy. We look forward to hearing about your adventures at the picnic.

Fondly,

Dawn
