

## September 2016 *Omega* Newsletter

Happy End of Summer!

As we approach our September 20th Chapter meeting at Kings Catering, Kerry and I have a few reminders. Deadline for dues (\$75) to Judy Kiehle is October 20th. You can pay in person at the September meeting or mail directly to Judy. Please be timely with your dues in order to keep your membership active.

We are resurrecting the Omega drive(s) to donate to the Little Red Bookshelf Project and the School Nurses Project. Please bring gently loved or new children's books to the September meeting.

One of our goals for this Biennium is to strengthen our Chapter's use of social media. To that end Della has offered to lead an Omega Gets Social event that instructs us in the use of the Cloud & Google docs. Please let us know if you're interested in attending this workshop. Details for time and place will be dictated by level of interest.

We also are planning a website/ Facebook training session in the future! In order to streamline submissions for the website or Facebook please send submissions to Kerry or myself directly. We will then share it with the Executive Board in order to decide which vehicle is most appropriate for display (Website or Facebook). We will then forward to either Katja Stevens or Jen Knobel.

Requests from the Arts & Music committee:

In an effort to support the arts in our schools, please bring a list of your district's art, music or drama events for the year (or the district calendar). The committee will compile a master list to be shared at the October meeting.

The committee is also looking for districts to present short programs (20 minutes) at some of our meetings. This could be music, art, drama or a surprise! If you know if a group who might consider performing please contact Deb P or Sharyn P ASAP.

Finally-WANTED! - Courageous singers/non-singers to spice things up a bit. No long term commitment or operatic voice required!!

Sounds like the Arts & Music committee has lots planned!

See you in September Sisters!

Mary & Kerry
